Guide for the design of master thesis front page

Academic Planning Office / Postgraduate Studies

Beside the structural integrity and technical characteristic that master thesis should contain there are foreseen standards that will differ it from other works. This short guide is focused on the components that master thesis front page should contain.

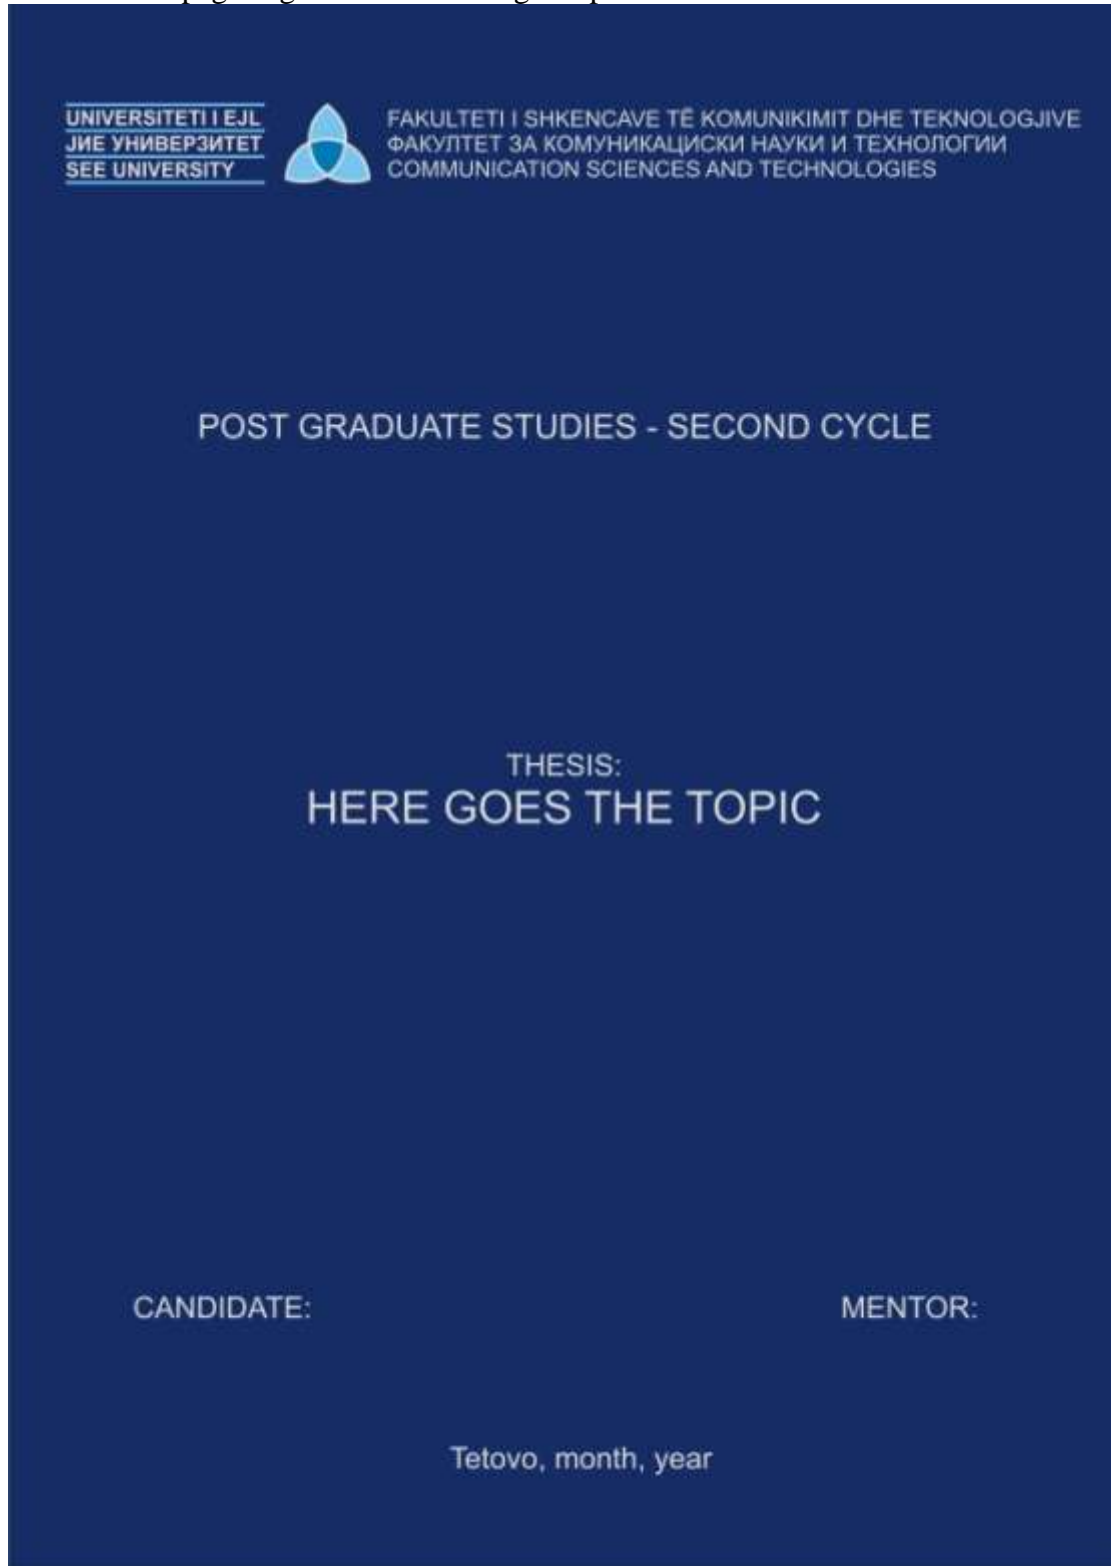

1. The front page should contain the following components:

1. University name (*on the left corner of the page*)
2. University logo (*between the university name and faculty name*)
3. Faculty name (*on right corner of the page*)
4. Thesis title (*on the middle (heart) of the page*)
5. Candidate's name and last name (*on the left bottom corner of the page*)
6. Mentor's name and last name (*on the right bottom corner of the page*)
7. Month and year of the defense of the master thesis (*on the bottom of the page in middle*)

2. The color of the front page should be dark blue, letters should be of silver color and font Arial, and it should be printed on “*sito*” technique.

3. Covers should be of hard binding and A4 format.

4. View of cover page is given the following sample
