³ Students that will study in SEEU branch in Skopje, one day per week will follow lectures in SEEU campus in Tetovo

⁴ This program is offered in cooperation with the University of London (UoL) – “London School of Economics” (LSE) – External Program. It is about the “dual diploma” concept, the student gains two diplomas (from UoL and SEEU). Enrollment criteria are foreseen in a special manner in the additional competition. Language of instruction is English language.

⁵ Teaching will be only in English language.

Part-time study according to distance program implies independent studies according to Universities guidelines and standards. The regime of studies is as follows:

- in the beginning of the semester students have the introduction lecture with the professor of the respective course;
- the skill courses (e.g. English language and IT skills will be organized in face-to-face teaching, once in two weeks, after the working hours, based on the level of knowledge);
- **by using electronic learning management system "Libri" (libri.seeu.edu.mk)**, students will be guided for self learning manner, with evaluation criteria, needed material and possibility for taking part in electronic forums;
- in the end of the semester intensive seminar with professors of the respective course will be organized.

Note (for the section 1 and 2):

- In those cases where the number of applicants will be higher than the foreseen number in the call and if those **applicants fulfill the admission criteria and standards required by SEEU, the Rector's Council has the right to increase the foreseen number in the call for 10%.**
- In those cases where the number of candidates is lower than 20 per study program, the University has the right not to activate that study program and candidates will be offered the possibility to study in some other study program.
- Rule on studies for all students is **announced at "Normative Acts for Studies Governance and Regime,"** in the University *web page*.

II. Some aspects on admission terms and criteria

1. Admission criteria and terms for full-time and part-time students

- a. Right of enrollment in the University have all candidates that have completed four years secondary school or its equivalent and that have passed state Matura.
- b. If in the first enrollment session the foreseen number from the Call is not fulfilled, then in the second session the right on enrollment (beside those one that have passed state Matura) have candidates from the gymnasiums that have passed school Matura and candidates from professional high schools that have passed final exam.
- c. Candidates that have finished four year secondary high school or its equivalent before 2008, have right to enroll on the basis of their high school success.
- d. Candidates that have finished four years secondary high school or its equivalent out side of Republic of Macedonia, have right to enroll only on the basis of their high school success, but in meantime they should verify their diploma in the Ministry of Education and Science of Republic of Macedonia.
- e. Evaluation of the success from high school, state Matura and school Matura for candidates from gymnasiums or the final exam for those ones that have finished professional high schools (for the candidates on the second admission session), is expressed in points. The ranking will done based on the points.
- f. Candidates are enrolled as full-time and part-time students with self finance of studies.
- g. Advantage during enrollment in the part-time studies will be given to the candidates that have employment status and that have better results from high school. Employed candidates would have to certify their status.
- h. All candidates will have to take English language testing. The date is foreseen in section 4. This testing does not have an eliminating character, but is needed to determine the language proficiency level.

2. Study regime

Study regime chosen by the candidates in the application phase remains until the call for studies, without possibility to change it.

3. Evaluation of success

Evaluation of success will be expressed in points, i.e. the success from secondary school and state Matura will be calculated. Evaluation of the knowledge will be according to following criteria:

- success from secondary school (gymnasium or professional high school) and
- success from state Matura.

4. English language proficiency

Testing in English language for determination of the level (which is not enrollment condition), will be organized at the University according to a program which will be additionally announced in the University web page.

5. Application and admission deadlines

Application period of the candidates is from 14 June 2010 until 13 August 2010.

Right on applications have all candidates that fulfill foreseen conditions and criteria in the Call.

Candidates should submit documents listed in section III, to building 802, in the University Campus or by post, in the following address:

South East European University
St. Ilindenska.bb
1220 Tetovo, Macedonia

Contact telephone: 044356 091; 044 356 188;

III. All applicants upon application must submit the following documentation

All applicants upon application must submit the following documentation for the academic year 2010/2011:

1. A completed Application Form to the Admissions Office (Application forms are available for download on the University website: www.seeu.edu.mk) and payment invoice (PP10) in the amount of 1500 MKD from Stopanska Banka (Account no: 200-000877547449, Tax number: 4028003134292)
2. A short biography/letter of interest consisting of at least 500 words in which candidates should state the reasons of his/her application to SEEU, and his/her expectations.
3. Original diploma from high school as well as all original transcripts (or notarized copies) as well for students that have completed high school out side of the Republic of Macedonia.
4. Certificate for the results from state Matura, i.e. school Matura or final examination.
5. Birth certificate.
6. Photo copy of ID or passport

STUDENT ENROLLMENT IN THE SECOND CYCLE OF STUDIES ACCORDING TO ON-LINE SYSTEM FOR THE ACADEMIC YEAR 2010/2011

Student enrollment in the *second cycle of studies* (postgraduate), according to on-line *model*, at SEEU Faculties in Tetovo, for the academic year 2010/2011:

¹⁰ The program will be offered in English

¹¹ Students that will study in SEEU branch in Skopje, one day per week will follow lectures in SEEU campus in Tetovo

¹² The program will be offered in English

Faculties	Number of Students	Tuition fee (per semester)
Faculty of Contemporary Sciences and Technologies:		
- Business Informatics ¹³	20	1000 €
Faculty of Languages, Cultures and Communication:		
- English Language Teaching	20	1000 €

All services in this unique program will be “on-line”, until graduation. More information about this program can be found on the University web page.

Language proficiency

All study programs, in both calls of the second cycle (according to two years and three semesters model), are offered in Albanian and Macedonian language, except the marked programs that will be offered only in English or French. However the University reserves the right of delivering parts of lectures or materials in English, so acknowledgement of Albanian, Macedonian and English is required, while knowledge of at least two of the languages mentioned on the academic level is mandatory. The candidate bears the responsibility for requirement.

Admission criteria and terms for the full-time students

1. Right on enrolment on the second cycle of studies according to the model 3+2 (two years) have the candidates that have undergraduate (first cycle) university diploma (verified)¹⁴ or equivalent to three years undergraduate studies (180 ECTS credits) or four years (240 ECTS credits).
2. Right on enrolment on the second cycle of studies according to the model 4+1 (three semesters), have the candidates that have undergraduate (first cycle) university diploma (verified), or equivalent to four years (240 ECTS credits).
3. Courses will be regular and modular according to model: 50% of the curricula of the respective faculty will be offered in regular form and the other part of the curricula can be realized with self studies (lead by instructors). Regular courses will be offered every second week after 16:00h, while Saturdays from 8:00, in order to be adjusted to candidates needs that are working full time. While with modular courses (when foreign professors are present), lectures will be more intensive.
4. Advantage will be given to the students that during first cycle have achieved GPA 8.00 and above.
5. If the number of candidates is lower than the foreseen number per study program, then the University has the right not to activate that study program.
6. In the cases when the applicant has completed the first cycle in a field that is not adequate with the second cycle program that s/he applies, then the Commission from the respective Faculty will determine additional criteria for enrollment in the new second cycle study program.

Application and admission deadlines for the second cycle of studies (postgraduate), according to models 3+2 and 4+1

Application period for the candidates is from 14 June 2010 until 21 September 2010.
Right on applications have all candidates that fulfill foreseen conditions and criteria in competition.

For more detailed information contact the Post-graduate Study Office

South East European University
St. Ilindenska.bb1220 Tetovo, Macedonia
Contact telephone: +389 044 356 081

VI-

¹³ The program will be offered in English

¹⁴ Candidates that have graduated in universities out side of Republic of Macedonia according to the Law on Higher Education are obliged in six months time period to verify their diploma in the Ministry of Education Sciences of RM. In case of eventual negative answer or not answering to the candidate will be terminated from their studies without any obligation by SEEU.
